

Protect Our Environment From Household Hazardous Waste!

Common household and automotive products become a hazard to the environment when disposed of improperly. Leftover quantities of these products should never be poured down the drain, put in the trash, or stored for excessive periods of time.

Are you one of the 35,000 residents in our community who bring their household hazardous wastes to our collection sites for safe disposal?

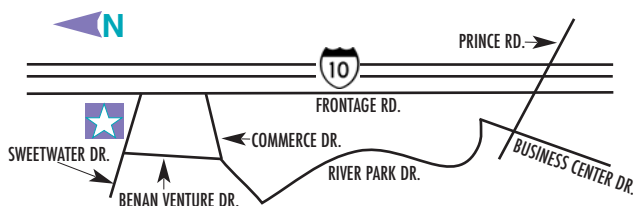

*Everybody should do it -
it's free, easy and convenient!*

Main Site

Open Every Fri. & Sat. 8 A.M. to 12 NOON

2440 W. Sweetwater Drive

I-10 to Prince Rd, west to Business Center Drive, then north to River Park Dr. and turn left, then right on Commerce Dr., left on Benan Venture Dr. and right on Sweetwater Drive.
